## From Financial Compliance for Research!

**For ecrt purposes, “Faculty” and “PI” are not interchangeable terms. PI's are faculty members who are the Principle Investigator on a **federal** award. Only PI's of federal awards have certification responsibilities.**

**Reminder, the following workshops are available this month:**

- **Introduction to SPAR, Thursday, November 3<sup>rd</sup>**
- **Advanced SPAR & Cost Sharing, Wednesday, November 9<sup>th</sup>**
- **Register at: <https://www.cfo.pitt.edu/fcr/workshops/register.php>.**
- **Waitlisted? No worries, proceed with registration. We will make arrangements to accommodate all registrants!**

**The *PI Work List – Effort Coordinator Report* is now available to both Lead and Secondary Effort Coordinators. This report should be your go-to source of outstanding certifications in your area.**

**If your PI's are looking for a good way to certify their lines, and only their lines, coach them to hit “All” just above the Certify button and all appropriate check boxes will be checked.**
