IMPORTANT CONTROLLED SUBSTANCE DEA 222 FORM PROCEDURAL CHANGES

On March 19, 2013, Henry Schein, Inc. (NASDAQ: HSIC), the world’s largest provider of health care products and services to office-based dental, medical and animal health practitioners, announced that Butler Schein Animal Health, will be rebranded as Henry Schein Animal Health. This transition from Butler Schein Animal Health to Henry Schein Animal Health underscores Henry Schein’s increasing strength in the global animal health market while preserving the rich heritage of Butler Schein and linking Henry Schein’s United States operations more closely with its market-leading animal health businesses throughout Europe and Australia.

As we rebrand our Company, there are important procedural changes that will affect our customers who purchase Schedule 2 and 2N controlled substances using a print copy DEA 222 Form.

 Effective June, 3, 2013, all submitted DEA 222 forms must reflect our new business name: HENRY SCHEIN ANIMAL HEALTH

The address to send the forms remains the same: 3820 Twin Creeks Dr, Columbus, OH 43204.

Customers who use the Express 222 system to electronically place schedule 2 and 2N controlled substance orders may continue to place orders as usual.

For your convenience, a sample copy of a DEA 222 form is located at www.henryscheinvet.com. We suggest posting this copy as an example for proper completion of the form.

We regret any temporary inconvenience this may cause our customers. Please be assured we are working diligently to ensure all customer orders will be filled and shipped promptly.

Sincerely,

Kay Knox
Manager, Regulatory Affairs
Henry Schein Animal Health
