Did You Know….

How to buy Automated External Defibrillators (AED’s) ?

The Department of Environmental Health and Safety (EH&S) manages the University’s program for Automatic External Defibrillators (AED’s). EH&S provides instruction, direction, and assistance in procuring and maintaining the AED’s on campus. Prior to purchasing an AED please be sure to contact EH&S at 412-624-9505 and read Guidelines for Automated External Defibrillators.

The process for purchasing AED’s and AED accessories in the PantherBuy system is quick and easy. Fisher Scientific has created a “Hot List” of all AED Program approved AED’s and accessories. Please follow the directions below to order the approved items from the Fisher Scientific punchout in PantherBuy.

1. Login to the PantherBuy
2. Click on the Fisher Scientific punchout button
3. Click on “My Hotlists” at the upper right hand corner of the punchout window
4. The “My Hotlists” page will now be displayed
5. Click on the drop down arrow in the “Company” hotlist area and choose UPITT Hotlist - AED Program
6. Click on “Activate”
7. The EH&S approved AED and AED accessories will be listed. Place a quantity in the items desired and click on Add Item(s) to Shopping Cart. Complete the order as you would any other order.

If you have any questions relating to making purchases in the PantherBuy System, please place a PantherBuy Inquiry and someone will get back to you as soon as possible. If you have any questions pertaining to the AED Program, please contact EH&S at 412-624-9505.
