

Please join us Wednesday, July 24, 2013 from 11:00 – 1:30 for an Office Depot Supplier Show highlighting products that are **Sustainable** or manufactured by a **Diversity Business Enterprise**.

This event will be held in Dining Room B in the William Pitt Union.

- We will be showcasing **Destiny Multipurpose Copy Paper**. This is a new quality paper from South Coast Paper available to the University through Office Depot. It is sustainable, manufactured by a Diversity Business Enterprise, and offered at a great price.
- **Clover Technology Group** will be on hand to answer any questions regarding remanufactured cartridges. These cartridges are reliable, provide the same yields, and are sustainable - all while saving you money.
- **Smead** is a Diversity Business Enterprise supplier, and they will have some samples within filing highlighting some enhancements and newer filing options.
- There will be some additional sustainable products highlighted from **Quality Park, Pilot and Fellowes**.
- There will be **refreshments, samples, and door prizes!**

Please contact Kelly Knetzer from Office Depot at 724-302-9191 with any questions.
