

# Soiree Partners and Dreadnought Wines

## Distinction between Soiree and Dreadnought

**Soiree Partners** is licensed in Pennsylvania to transport alcohol. Soiree Partners purchases spirits and some wine directly from the Pennsylvania Liquor Control Board (PLCB) stores, beer through local wholesale distributors, and most wine from a sister company, Dreadnought Wines.

Note: In order to legally purchase these products, Soiree must receive a check payment in advance (see purchasing instructions below), which the company then deposits and uses to make the requested purchases. This is the only legal process the PLCB permits in order for Soiree Partners to provide these services. Soiree Partners creates and delivers an estimate of sale in advance to customers which includes the delivery/pick up charges as well as a summary of the funds required to purchase wine, spirits and beer.

**Dreadnought Wines** is a wine importer and distributor. Dreadnought represents wines from smaller vineyards all over the world. The wine list is fairly extensive and includes wines in all price ranges and styles. Dreadnought works within the PLCB's Special Liquor Order (SLO) system and is legally permitted to sell to the public and process each order through the SLO system.

## Purchasing Instructions

Soiree Partners and Dreadnought Wines are licensed separately in the state of Pennsylvania. Thus they are required to invoice and be paid separately. Due to these requirements, departments should create **two separate requisitions** (using the Conference and Event Specialty Form in the PantherExpress System) when requiring the services of these two companies.

## Bartending Services Are Not Provided

Please note that neither Soiree Partners nor Dreadnought Wines provides bartending services. When contracting with Soiree and/or Dreadnought, please secure bartending services from Sodexo if the event is on campus or contract with a bartending service if the event is off campus.

## Further Instructions and Contact Information

**Further event-related purchasing instructions** can be found on the [Conference & Event Agreement checklist](#)

**Contact** PantherExpress Customer Service for assistance by [submitting an inquiry](#) or by calling 412-624-3578.
