# STEELCASE AND THE ENVIRONMENT

## VISION

To excel in every environmental dimension **to protect, replenish, and restore** the communities in which we live and serve.

## MISSION

Optimize the customer experience by...

1. Creating and providing products that **advance environmental and human health, social responsibility, and economic prosperity**, and
2. **Further and share the science and practice of sustainability** through collaboration with customers, business partners, and environmental thought leaders.

## GLOBAL ENVIRONMENTAL POLICY STATEMENT

1. **Advance and strengthen the three pillars of sustainable development** in our worldwide operations
  - environmental & human health
  - social responsibility
  - economic prosperity
2. Conduct all company operations to **protect the environment & health of our employees, neighbors and customers** through proactive environmental management that
  - reduces waste
  - promotes recycling
  - conserves resources
3. **Demonstrate environmental leadership** by complying with applicable environmental laws, regulations, and obligations and seeking opportunities to minimize our environmental footprint
4. **Pursue environmental education** and training as a corporate responsibility to ensure employee ownership and stewardship
5. **Work cooperatively** with environmental groups, suppliers, dealers, customers, researchers and environmental agencies
