

Running Reports from "PLD SPAR Processing" responsibility:

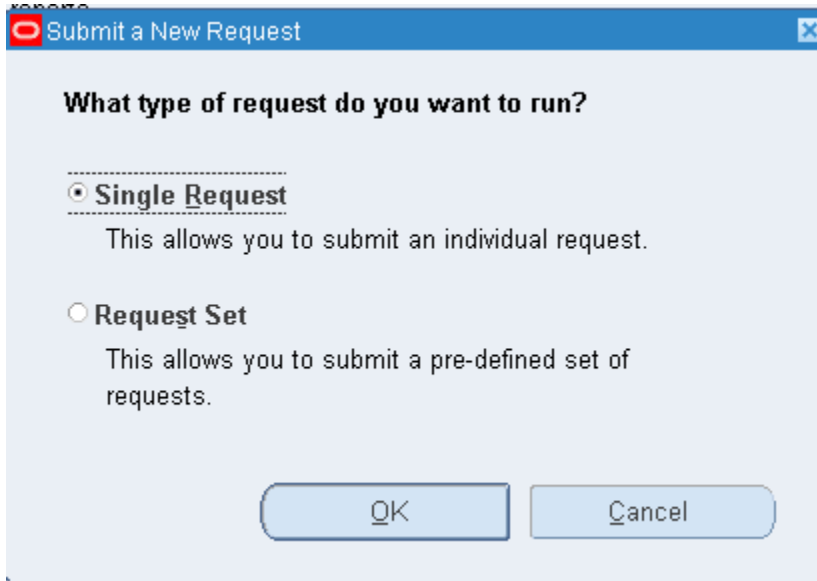

1: Click on "+" next to "Processes and Reports" Menu:

2: Click on "Submit Processes":

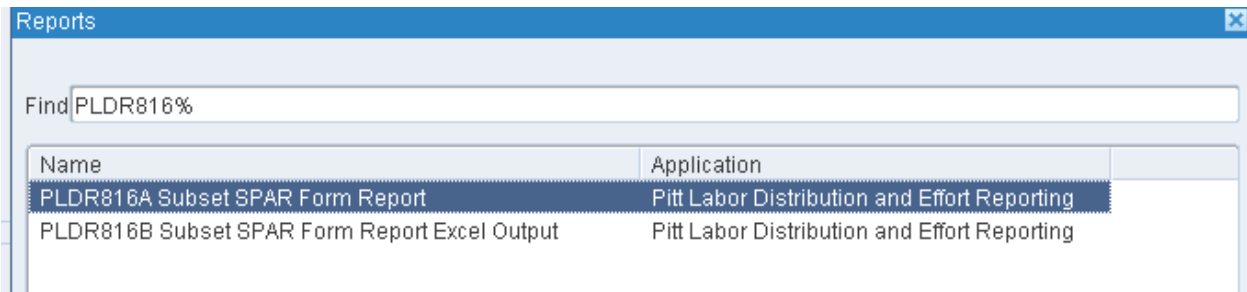

3: In the "Submit a New Request" window, choose "Single Request", click "OK" button:

4: There are two reports which can be run from this responsibility:

PLDR816A Subset SPAR Form Report: output is in PDF format.

PLDR816B Subset SPAR Form Report Excel Output: output is in Excel format.

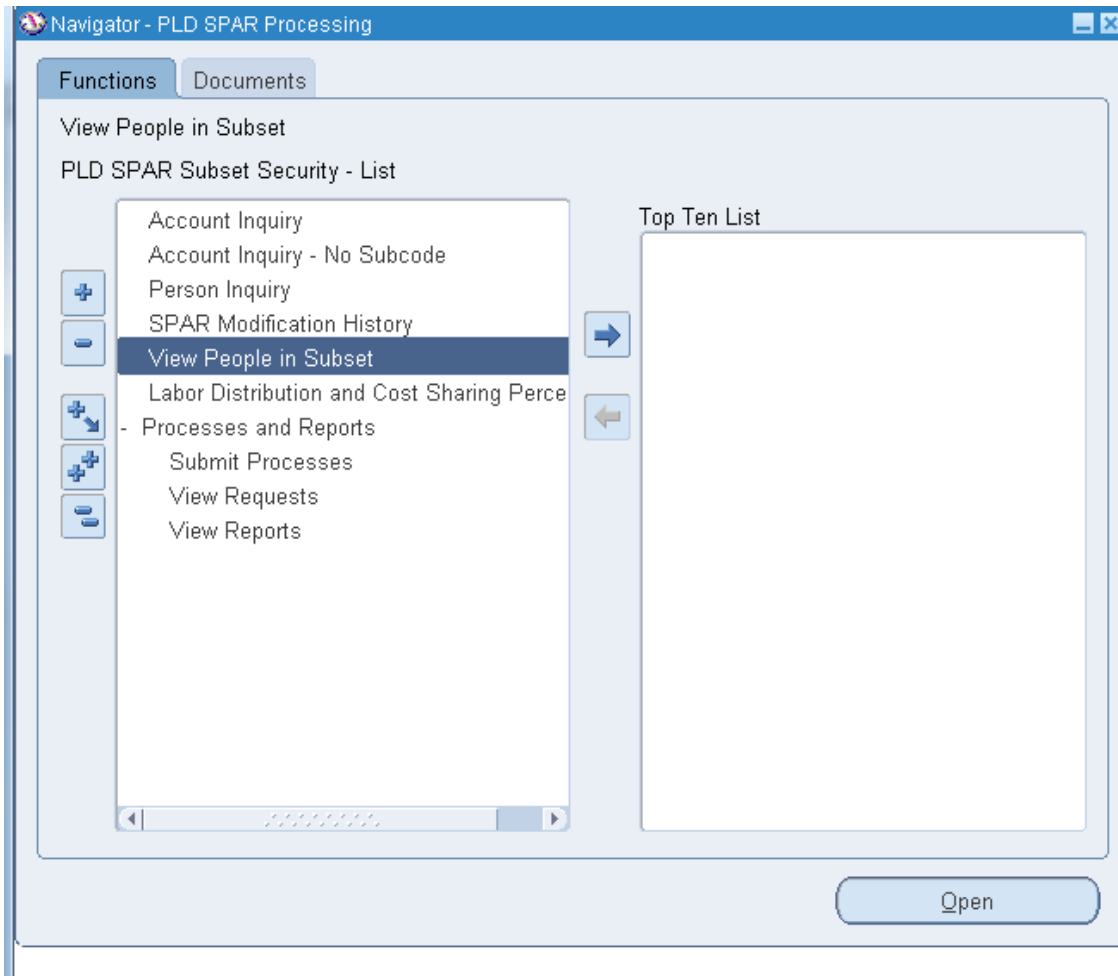

5: Enter the name of the report to be run in “Name” field and enter the parameters for RC, Dept , Employee Name and Date. SPAR data for the people who are in the Subset for person running the report will be displayed. Date parameter identifies the SPAR period SPAR data is displayed for.Example: “02-AUG-2013’ date will display the SPAR data for May-Aug 2013 SPAR. Click “Ok” after entering parameters and “Submit” to submit the report.

The image shows two overlapping dialog boxes from a software application. The top dialog, titled "Submit Request", is used for configuring a report job. It has three main sections: "Run this Request...", "At these Times...", and "Upon Completion...". In the "Run this Request..." section, the "Name" field is filled with "PLDR816A Subset SPAR Form Report", "Language" is "American English", and there are buttons for "Copy...", "Language Settings...", and "Debug Options". The "At these Times..." section has "Run the Job" set to "As Soon as Possible" and a "Schedule..." button. The "Upon Completion..." section has a checked "Save all Output Files" checkbox, "Layout" set to "PLDR816ASS SPAR Form Report", "Print to" set to "pcl17is0", and buttons for "Options..." and "Delivery Opts".

The bottom dialog, titled "Parameters", is used for entering specific report parameters. It contains four fields: "Responsibility Center" (with a dropdown arrow), "Department" (with a dropdown arrow), "Employee Name" (with a dropdown arrow), and "Date" (with a date picker showing "02-AUG-2013"). At the bottom of this dialog are buttons for "OK", "Cancel", "Clear", and "Help".

6: "View People in Subset" form displays the names of people the logged in user has access to.

8: Clicking “View Output” button will show the PDF output in a browser window:

RC: 87 - Office of the Chief Financial Officer-RC

Department: 02025 - Financial Information Systems

SPAR No: 528182 Suffix: 1 Start Period: MAY-13 End Period: AUG-13 Certification Period:

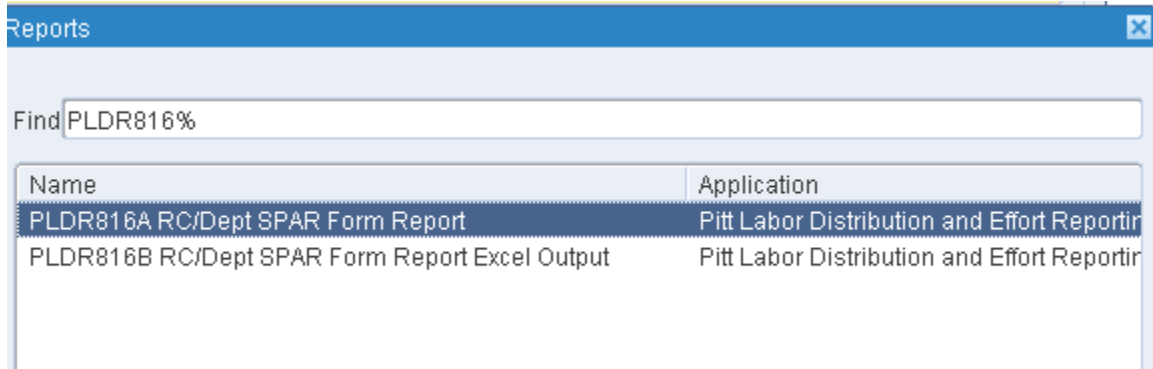

9: For the PLDR8216B Excel output report, Clicking “View Output” button will show Internet Explorer dialogue box, choose “**SAVE AS**” option, save the output in desired directory with a user friendly filename. “Open” and “Save” options might not work properly.

NOTE:

1: "PLD DEPT SPAR Responsibility and "PLD RC SPAR Responsibility

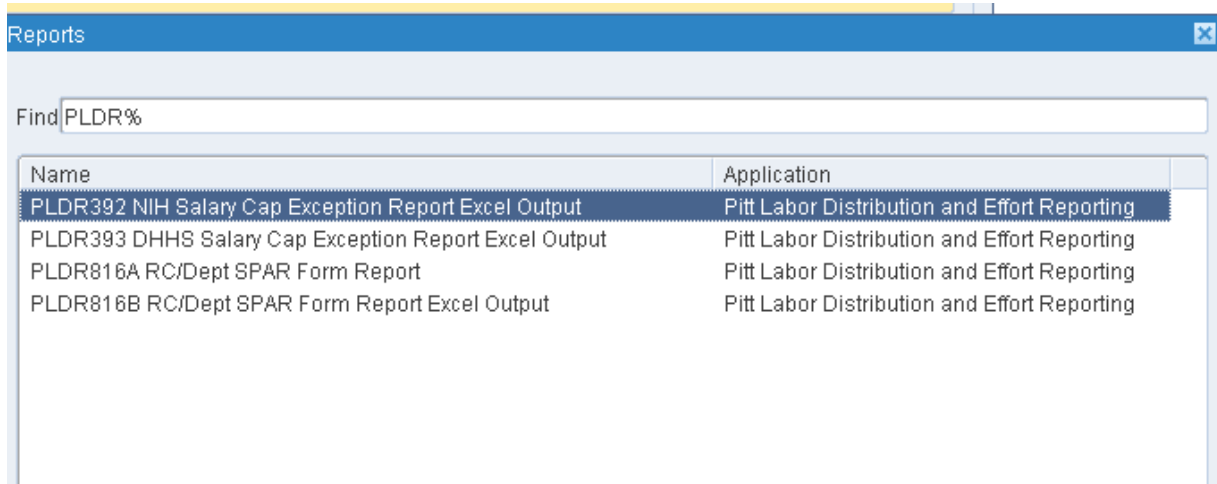

PLDR816A and PLDR616B reports can be run under these responsibilities too, however, Employee Name parameter is optional. If Employee Name is not entered, the report output will show SPAR data for all employees in the department value entered in parameter.

2: "PLD RC SPAR Responsibility:

In addition to SPAR form reports, PLDR392 NIH Cap Excel output and PLDR393 DHHS Cap Excel output reports can be run from this responsibility.

"RC" is a required parameter for these reports and only the data for the RC user has access to will be displayed. The report also takes the Period as a parameter. It should be run for the current period which will be populated automatically in the parameter window.
